

REFERENCES AND RESOURCES

INTERNET/WORLD-WIDE WEB

PHYSICS DAY AT GREAT AMERICA WEB PAGE: A web page produced by Clarence Bakken from Gunn High School, with a wealth of information on Physics/Science/Math Days. The web site contains sample data, curricular activities and many links to other Amusement Park Physics web sites.

GREAT AMERICA RESOURCES

P/S/M Days CD-ROM: A CD-ROM has been produced by the teacher steering committee for Physics/Science/Math Days and is available to teachers who sign up to bring their classes to Paramount's Great America. The CD contains an electronic copy of the traditional printed packet of materials distributed by Great America. Many park and ride graphics, the entire web site, and other resources are included on the CD.

INSTRUMENT KITS AND BOOKS

PASCO Scientific Company and Sargent-Welch both have kits of hand accelerometers that can be purchased for use by your students. For convenience, kit numbers and approximate prices are given here along with contact information for the companies. In addition, the American Association of Physics Teachers (AAPT) and Vernier Software have books that contain many useful labs and other activities.

PASCO Scientific Company www.pasco.com - 800-772-8700	
Amusement Park Physics Kit (set of 15) ME-9426	\$64.00
Amusement Park Physics Handbook SE-8740	47.00
Additional Accelerometer Springs (set of 15) ME-8734	22.00
