As an alternative, you can send the membership amount to Clarence Bakken via Zelle, cbakken@mac.com, noting what the amount is intended for. Send your personal information to:

Requirement: One requirement, in addition to being a senior (age 55), to become a new member is to play at least one round with the club during a tournament. This is so we can both get to know each other a little bit and determine if the fit will be a good one. Contact the tournament chairman through the web site or through a member to get signed up for a tournament in the near future so you will be fully eligible to become a member.

Membership renewals begin during November, and if openings are available, applicants who meet the requirements described above can become members. Applicants wishing to become members of the club will initially go on a waiting list until space becomes available. Checks from potential new members will not be cashed until they become full members of the club.
